While you are enjoying the best burgers in town, we want you to enjoy the atmosphere of items that came from local “landmarks” in Grundy Center. Just to name a few: The Cities Services sign and memorabilia was lent out to us by Chuck & Ethel Rhoads family. Chuck ran the service station out of this location until the early 70's. The chandelier in the doorway, was lent to us by the Bienfang Family. They saved it when the Columbia Hotel was torn down across the street. The hostess station was built to look like an old teller counter. The counter(s) came from GNB when remodeling was done in Grundy Center and from the Holland location. The ticket booth from the old upper elementary school sits before the side “school” room, where Miss Nellie is “selling tickets”. In this room you will find an old gym light, college diploma and several pictures of all the schools in GC, yearbooks and lots of memorabilia. The Mia, Brody, Ellie, & Emmy Burgers are named after Jill's grandchildren! We hope as you enjoy your meal and atmosphere inside or out on our patio, it will remind you of “Living The Good Life” in Grundy Center.
